Education

High School Diploma (Class 12) Expected 2024 Relevant Coursework: Computer Science, Advanced Mathematics, Physics, Python.

Technical Skills

- **Programming Languages:** Python.
- **Artificial Intelligence:** AI basics.
- **Tools & Frameworks:** LaTeX.
- **Soft Skills:** Problem-solving, Technical Writing, Project Management.

Projects

AI PDF generator project

Python, LaTeX, OpenAI API

- Built AI PDF generator project.
- Focused on clean structure, readable formatting, and practical functionality.

Experience

Leadership

Coding Club Member

High School

- Collaborated with peers on coding challenges and shared practical problem-solving approaches.
- Supported classmates in strengthening programming fundamentals and technical confidence.

Science Fair Participant

Regional Level

- Presented a student project with clear technical explanation and structured results.
- Demonstrated initiative in applying programming concepts to hands-on work.

Certifications

- Python for Data Science
- Introduction to Artificial Intelligence
